Easy Travel Map

Please take a look at our handy map. We have marked **Valley View Mall** and **North Dallas Bank** at the **Intersection of LBJ and Preston** to identify landmarks that are easy to remember. This can be a busy intersection during rush hours, especially around lunch and after 4:00.

If you are used to taking Hillcrest to our office, here may be an option during rush hour times: Travel the LBJ westbound access road on the North side of LBJ (westbound) however, make a Texas U-Turn just before Preston and come down the service road (eastbound) as if you were heading back to Hillcrest. Our entrance will be the first past the **Citadel Apartments**. About ¼ block down the access road will be the **Villages of LBJ** entrance. Our building community has stucco and spanish tiled roofing.

If you “overshoot” on the access road eastbound, you can go down to Hillcrest and turn left, boarding back on the access road – toward Preston to make a Texas U-Turn.

If you travel Preston, take the access road as if you were going to board LBJ (going eastbound) or to head to Hillcrest. Again, about ¼ block down the access road between Preston and Hillcrest will be our entrance. Look for the **first** entrance past the **Citadel Apartments**.

When you arrive at the first entrance, proceed to the back of the property and turn left. We are building 900. Our physical address is: 6190 LBJ Freeway. You can always call if you need us. 972.934.1400

Helpful Neighborhood Shortcuts

- If LBJ Eastbound is congested, and you want to go the backroads, the first street as you exit our complex eastbound is **Hughes Lane**. You could take a right on Hughes Lane (south) to **Churchill Road** which intersects Hillcrest to the east and Preston to the west.
- If you are traveling North on Preston on your way to us, traffic just prior to LBJ often backs up. You can take a right on **Linden Lane**, then an immediate left into the **North Dallas Bank** parking lot complex. It will wind around and exit on the north end onto the LBJ access road,...take a right and your there!
